

Spaghetti Friend.

A little spaghetti happiness, one piece at a time.

375 pieces **30 steps** **42 part/color combinations**

Follow the assembly in order. Each illustration shows the model so far: **colored pieces are new**, and gray pieces are already placed. Part numbers refer to the LDraw library.

Digital assembly concept based on socks.png. This is not a physically validated building kit. Facial attachments, internal supports, flexible-axle bends, and part/color availability need review before buying or building.

A sturdy little foot

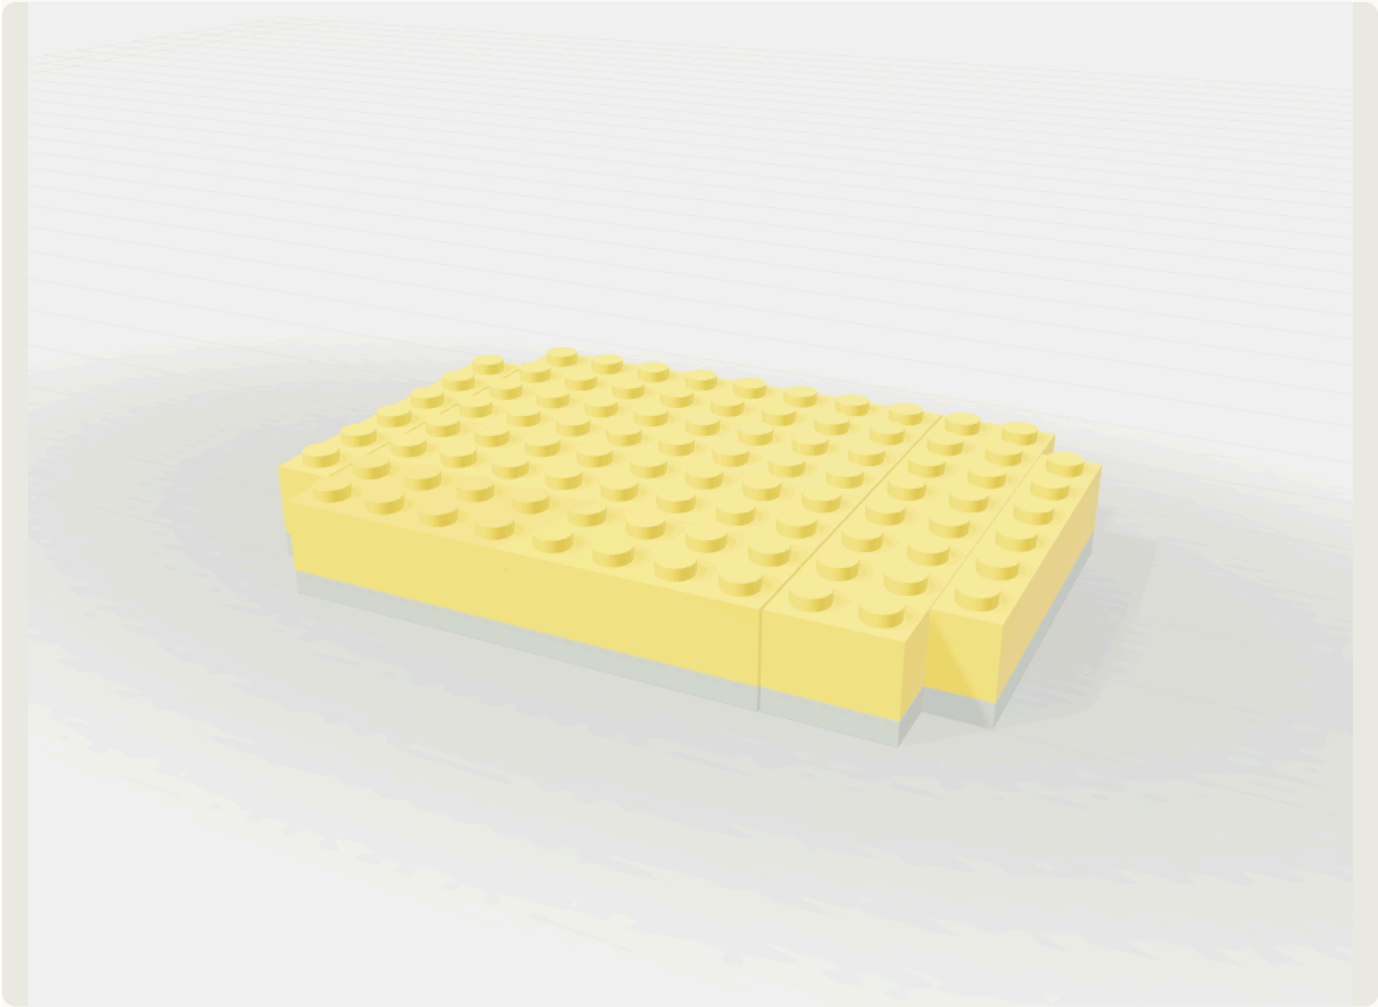

Lay the black foundation plates. The small pedestal gives the bowl its familiar silhouette.
